Kathmandu, Nepal

PROFESSIONAL SUMMARY

BCSIT student with hands-on experience building full-stack web applications using the MERN stack. Completed an intensive 3-month MERN training program and shipped production-ready projects including an LMS with payment integration. Proficient in REST API development, JWT authentication, and responsive UI with React.js and Tailwind CSS. Eager to contribute as a Junior MERN Stack Developer Intern.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), TypeScript, Dart, PHP
Frontend	React.js, HTML5, CSS3, Tailwind CSS, Redux Toolkit, Responsive Design
Backend	Node.js, Express.js, REST API, JWT Authentication
Database	MongoDB, Mongoose ODM, MySQL
Tools & Cloud	Git, GitHub, Cloudinary, eSewa API, Vercel, Render, VS Code, Flutter

PROJECTS

Web-Based Learning Management System | MongoDB · Express.js · React.js · Node.js · Cloudinary · eSewa | [Live](#)

- Architected a full-stack LMS with Student, Instructor, and Admin dashboards — featuring JWT-based auth, role-based access control, and protected routes.
- Built course management with Cloudinary media uploads and integrated eSewa payment gateway simulation for realistic purchase flows.
- Designed a responsive React.js + Tailwind CSS frontend connected to a Node.js/Express.js REST API with MongoDB.

Personal Portfolio Website | React.js · Tailwind CSS · JavaScript · Vercel | [Live](#)

- Built a mobile-first portfolio with SEO optimization, smooth animations, dynamic project showcase, and a functional contact form — deployed via Vercel CI/CD.

MERN Stack Authentication System | MongoDB · Express.js · React.js · Node.js · JWT

- Implemented a secure full-stack auth system with JWT tokens, bcrypt hashing, RESTful API endpoints, React form validation, and protected routing.

Full-Stack Blog Platform | React.js · Node.js · Express.js · MongoDB

- Developed a CRUD blogging platform with Node.js/Express.js REST API and MongoDB backend, featuring full post management and a clean reading interface.

EDUCATION

Bachelor in Computer Science & Information Technology (BCSIT)

Aug 2024 – Aug 2028

Quest International College — Pokhara University | 2nd Year

Relevant coursework: Data Structures, Web Development, Database Management, Object-Oriented Programming

Higher Secondary (+2), Management Stream — GPA: 3.46

CERTIFICATIONS & TRAINING

MERN Stack Development Training · Sipalaya Infotech, Kathmandu

2024 – 2025

- 3-month intensive program covering the full MERN stack — built and deployed multiple production-ready applications from database design to deployment.

Flutter Mobile Development · Code IT, Kathmandu

2025

- 1-month course covering Dart, widget architecture, and cross-platform Android/iOS app development.

TEDx Quest International College · Certificate of Participation

2024

ACHIEVEMENTS & ADDITIONAL

Hackathon Winner · PLEX IT CLUB, Quest International College

2026

- Won internal college hackathon — delivered a working solution under time pressure against peer development teams.

Languages: English (Professional Working Proficiency) · Nepali (Native) **Currently exploring:** TypeScript, Next.js, Advanced React Patterns
